All the Beauty and resilience of wood without the wood!  
Our Composite Faux Timber (CFT) Decking Boards offer  
all the features of wood but without the maintenance,  
simply clean with soap and water.

We offer a 25 year guarantee. Due to its wood-free content,  
our CFT Decking Boards do not host algae growth.  
With its non-porous nature, unlike wood, CFT does not stain  
from food or drink, swell or rot.

it's unique Lastane® surface is highly resistant to scratches  
or marking and its UV stability resists fading.
